

# CAREER PROFILE

---

## Graham Harvey

Graham Harvey is a Principal Town Planner with Insite Strategies Pty Ltd. Graham has had a distinguished career in the local area in both the local government and consulting arenas. His extensive working knowledge of the Queensland planning system and legislation, land tenure and titling, and regional and rural local government experience combine to enable Graham to give well-considered and balanced advice to Insite's clients.

### PRINCIPAL TOWN PLANNER

---

Throughout Graham's career in town planning in the Bundaberg Burnett region, he has been employed in Local Government and private consultancies and has undertaken every facet of town planning work.

### CAREER HIGHLIGHTS

---

#### Local Government

Graham's position within the various local authorities has given him a wide scope of experience. Projects of particular interest include—

- Isis Sport and Recreation Needs Study;
- The Isis multi-function indoor sports stadium;
- Wallace Creek (Burnett River) Bridge and road approaches;
- The re-development of the Palace Backpackers Hostel, including a 110-bed hostel and re-development of the original Hotel building; and
- Development application for a redevelopment and relocation of a local sporting and social club.

#### Development Projects

During Graham's involvement in the private sector his expertise has been instrumental in the successful outcomes of the following projects—

- Major extension to existing tramway and cane loading facility for a local sugar milling company with a capacity of 177,000 tonnes in the South Bundaberg locality;
